### Verse One

A E D  
So I'm hangin' at the beach  
A E C#m B  
I spy a two-piece beauty well within my reach  
A E Dsus4 D  
Here's my chance, get on the bus  
A E C#m B  
Our eyes meet, the wheels are turnin' in my mind  
A E F#m B  
Then she looks down and sees my toes--Oh No!  
A E D7  
She screams in mournful woes,  
C D Em  
"Toe fungus is among us."  
C D G  
"Toe fungus is among us."

### Bridge

D C G  
Oh no! Toe fungus.  
D C Em  
Oh yes! It is among us.  
D F#m G  
Oh what can I do?  
C D G  
Toe fugus how I hate you.  
C D G  
Toe fungus how I hate you.

A E D  
So she's at the club to dance,  
A E C#m B  
To make some fun, make new friends, maybe some romance.  
A E Dsus4 D  
Our eyes meet, her smile is sweet.  
A E D  
This lioness for sure a nine or ten.  
A E C#m B  
Then I look down at what's poppin' out her shoes.  
A E F#m B  
My happy heart gets the blues--it's bad news!  
A E D7  
I yell out loud to the crowd,  
C D Em  
"Toe fungus is among us!"  
C D G  
"Toe fungus is among us!"

### Bridge

D C G  
Oh no! Toe fungus  
D C Em  
Oh yes! It is among us

*D F#m G*  
Oh what can I do?  
*C D G*  
Toe fungus how I hate you.  
*Em C D G*  
Toe fungus I don't like you.

### Bridge2

*D G A*  
I toe'd you so, I toe'd you so.  
*D G A*  
So now you know, it's time to go.  
*Bm C A2*  
Stand in the line, get on the bus--no more  
*C D G*  
Toe fungus among us.

### Verse Three

*A E D*  
All this time together, I'm cuttin' you loose.  
*A E C#m B*  
Time to part, no more podial abuse.  
*A E Dsus4 D*  
I need a clean start from the inside out.  
*A E D*  
There's the door, hit the road.  
*A E F#m B*  
No more sweating this marathon; I'm movin' on.  
*A E D7*  
And I'll smile when your sorry ass is gone,  
*C D G*  
And I'll sing 'the Toe Fungus Song'

### Outro:

*C D C D*  
I used to have the funji, now I am a fun guy,  
*C D G*  
And my feet ain't ugly anymore!  
*C D C D*  
She used an anti-fungal, now she is a fun gal,  
*C D G*  
And her toes are lovely like before--

(speaking with caution)

'Hey be careful with that it's got a nail in it.'
